### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

Claim 1 is allowed because the prior art of record does not show or suggest a method for detecting a heat generating failure in a semiconductor device having an unpassivated surface including the steps of: applying a coating to said unpassivated surface of said semiconductor device, wherein said coating is non-electrically conducting and capable of localizing heat generated by said failure in a particular area, in combination with the remaining limitations in the claim.

Claims 2-5 are allowed due to their dependency on claim 1.

Claim 6 is allowed because the prior art of record does not show or suggest a semiconductor device having an unpassivated surface, and a coating on said unpassivated surface, said coating is non-electrically conducting and capable of localizing heat generated by a failure in particular area of said coating, in combination with the remaining limitations in the claim.

Claims 7-10 are allowed due to their dependency on claim 6.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
